FIRST UP:

The Windows Gallery of the Tahawus Center opens for the summer on June 23, 2016, to celebrate the 134th birthday of the artist Rockwell Kent and marks the 400th Anniversary of the death of William Shakespeare. These artists were merged when Kent completed a set of 40 lithographs for the 1936 publication of *The Complete Works of Shakespeare*. These important prints are very rarely seen as a complete set. The Ralf Clyde NemeC Collection provides a unique opportunity to view the 40 lithographs, when these and selections from the Kent Collection appear in this return exhibit at the Tahawus Center, located: 14234 Rt 9N Main St, Au Sable Forks, NY. Info: 646-734-7151.

Visitors will enjoy a **rare 10-day exhibit and sale, June 23- July 2, Thursday to Saturday** celebrating the Shakespeare prints by Rockwell Kent. In addition, there will be other items one can browse and buy (10% of sales to benefit Tahawus Center). The works are from the noted Rockwell Kent private collection of Ralf Clyde NemeC, of Long Island. Rockwell Kent, American modernist painter and illustrator, was a native New Yorker, who settled at Asgaard Farm just outside of Au Sable Forks in the 1920's.
