

DISCOVER STEM at Tahawus Center

EXPLORE MATH!

A *NEW* 3-DAY ENRICHMENT SUMMER PROGRAM

July 5-7, Wednesday-Friday mornings
2 Levels: 6th-9th grades

MATHEMATICS illuminates the patterns and structures all around us. Tahawus' pilot program stimulates inquiry, sparks curiosity, and reveals the wonders of mathematics, through problem solving and guided discovery. How do we measure infinity? How does information theory allow us to determine what caused what to happen? How is chaos found in the human heart?

Students investigate these events by experiencing them first hand. They develop critical thinking skills and problem solving as they build and design their own projects. Small classes, hands-on learning. Reserve your place today!

LOCATION: Tahawus Center, 2nd Fl
14234 Rte. 9N, by the bridge
Main St. Au Sable Forks 12912
Info: 646-734-7151 TahawusCenter@gmail.com

Download Registration Forms: www.TahawusCenter.org

Casella's Waste Systems is a founding and leadership supporter of STEM at Tahawus. Other Programs at Tahawus Center have also been made possible with support from Ausable Dental Center, Community Bank, CAP Grant made possible by the Essex County Town Supervisors, Puffin Foundation, and Stewarts Shops. Tahawus is a program of the 501c3 Appleby Foundation, Inc.
